LECTURER Ing. Ondřej Staněk

Consultant and lecturer of presentation skills, presentation design and communication. He helps companies find their story and present and sell their products and services more effectively. Ondřej specializes in creating presentations or templates for both international corporations and individuals. Lecturing is his passion. He often trains public speakers for international or domestic conferences. As a startup mentor he cooperates with the ImpactHub network, CzechInvest and Nadace Vodafone. Since 2016 Ondřej lectures at the University of Chemistry and Technology in Prague, but he also cooperates with other Universities and Colleges in the Czech Republic.
