

# *Mezinárodní výzkumná spolupráce z pohledu akademického pracovníka*

*Vojtěch Bareš Ph.D.  
katedra hydrauliky a hydrologie FSv*

*Vedoucí mezinárodních projektů*

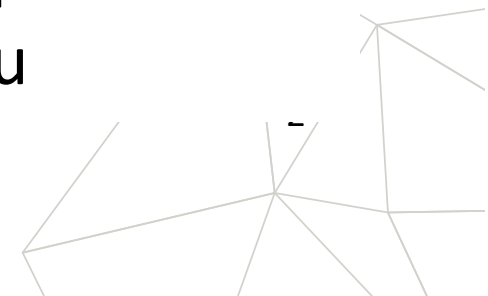

*bilaterární DFG/GAČR SpraiLINK  
COST akce OPENSENSE CA20136*

# Jak navázat mezinárodní spolupráci?

## Základní předpoklad – zviditelnit se

- Doktorské studium nebrat jako přilepšení k práci nebo něco, kde se zašiju na 3 (4,5,6...) roky, ale jako reálnou práci a poslání na plný úvazek (včetně finančního ohodnocení)
- Aktivní účast na relevantních mezinárodních konferencích s dobrým obsazením – *být vidět znamená být viděn*
- Účastnit se letních škol, které jsou organizovány mezinárodními odborníky – *znalost a kontakty*
- Snažit se budovat si dobrý „publication record“ – publikovat opravdu v relevantních časopisech, kde publikují kapacity z daného oboru

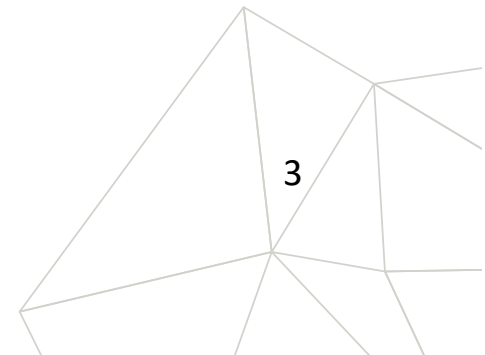

# Jak navázat mezinárodní spolupráci?

## Základní předpoklad – zviditelnit se

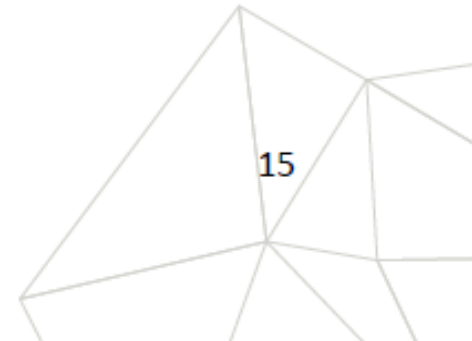

- Krátkodobé a střednědobé stáže v průběhu Ph.D.
  - Důležité pro osobnostní růst a kontakty
  - Řada možností v rámci jednotlivých mezinárodních projektů
  - Stipendijní programy zaměřené na Fellowships
  - Evropské networkingové projekty – COST Akce

# COST Mission

- **“COST provides networking opportunities for researchers and innovators in order to strengthen Europe’s capacity to address scientific, technological and societal challenges.”**
- COST implements its mission by funding bottom-up, excellence-driven, open and inclusive networks for peaceful purposes in all areas of science and technology.

Open to

All countries

All fields of S&T

All career stages

All Partners

COST Countries

Global cooperation

Trans-, multi-,  
interdisciplinarity

Young and experienced  
researchers

Academia, public  
organisations, SME

NGO, Industry, International  
Organisation

# COST Excellence and Inclusiveness Policy

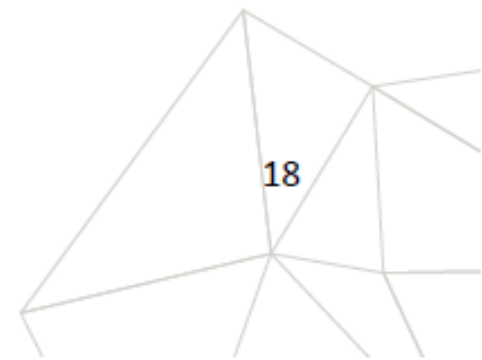

## Special measures to Young Researchers and Innovators

A researcher or innovator under the age of 40

## Special measures to Inclusiveness Target countries in Horizon Europe

Albania, Bosnia and Herzegovina, Bulgaria, Cyprus, Croatia, Czech Republic, Estonia, Greece, Hungary, Lithuania, Latvia, Malta, Moldova, Montenegro, North Macedonia, Poland, Portugal, Romania, Slovenia, Slovakia, Serbia and Turkey  
+ Outermost regions from Portugal, Spain and France

# Meetings and Training Schools

- Contribute to research coordination and capacity building.
- Create and maintain the network.
- Training Schools are aimed at providing highly specific hands-on training.

## Travel reimbursement for participants

### Daily Allowance (DA)

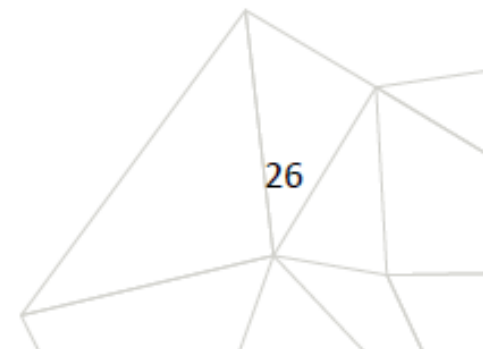

- ✓ Fixed DA amount,
- ✓ Based on meeting location, travel dates and time
- ✓ Covers for Hotel, Meals and short distance transport

### Long distance travel

## Local Organiser Support

- ✓ Financial contribution for the organisation of the event
- ✓ Grant (no invoices) based on number of participants and duration

# Mobility of researchers and innovators

**Short Term Scientific Missions:** visit of a host organization located in a different country than the country of affiliation of the participant.

**Virtual Mobility:** to be confirmed.

# Presentations at external conferences

**ITC Conference Presentation:** Young Researchers and Innovators from an ITC or NNC to **present their own work** (poster/oral),

**Dissemination Presentation:** Action participants to **present the Action, its activities, and results** (oral presentation) at a high-level conference.

## Funded by Grants

- Grant Awarding process.
- To be evaluated by the MC

### Max Amounts:

STSM: 4000 EUR

VM: tbc

ITC and Dissemination Conference: 2000 EUR (500 EUR for virtual)
